‘WORLD ENVIRONMENT DAY – 2020’

Online competitions: Drawing, Essay and Quiz

Webinar Sessions: ‘Biodiversity’

The ‘WORLD ENVIRONMENT DAY – 2020’ was celebrated at ENVISRP, CASMB, Faculty of Marine Sciences, Annamalai University on June 5th, 2020 by organizing online competitions and webinar sessions on ‘Biodiversity’. The programme has been participated by 112 participants from universities, colleges and schools and the participants received e-certificates

Prof. Dr. M. Srinivasan, Dean and Director of the Centre, ENVIS Co-ordinator inaugurated the programme by delivering a special lecture in the aspect of ‘Conservation and Safeguarding our Environment’ and motivated the participants by intimating the importance of biodiversity and conservation for posterity. Subsequently, Dr. S. Bragadeeswaran, Associate Professor delivered talk on “Biodiversity of Marine Reptiles” and Dr. A. Gopalakrishnan, Assistant Professor, Senior Scientist (Former) (MSSRF) presented on “The Potential Threats to Marine Biodiversity’. Both the lectures were well received by all the participants.

After the sessions, tree plantation programme has been held under the leadership of Prof. Dr. M. Srinivasan, at Dr. A.P.J. Abdul Kalam Block. Finally, the world Environment Day brochure prepared by ENVIS RP has been distributed to the MSc, students of the center.

The programme has been successfully organized by the ENVIS RP team members.
